## **NEWS RELEASE**

### *BC Road Builders & Heavy Construction Association Names 2018 Board of Directors*

**Burnaby, BC** – The BC Road Builders and Heavy Construction Association is pleased to announce the election of its 2018 Board of Directors, including new **Chair, Todd Strynadka of Terus Construction.**

Mr. Strynadka is Technical Services Manager of Terus Construction. Terus Construction is an integrated road construction and materials group of companies and an industry leader in road construction, aggregate processing, ready mix concrete production, hot mix asphalt concrete manufacturing, construction of highways, airports, subdivisions, industrial projects and various road related infrastructure projects. While Mr. Strynadka has been with Terus Construction since 2004, he has been involved in the industry and some major projects such as the Edmonton LRT tunnel, Alaska Highway, NWT Highway projects, the Peace River Bridge and more than 30 airport construction projects over the last 35 years.

“We have many challenges that lay ahead this year, including working with a new provincial government. I am looking forward to working closely with our knowledgeable and talented board of directors to ensure this government and all stakeholders recognize the importance of investment in transportation infrastructure throughout the province,” said Mr. Strynadka. “Building and maintaining our roads, highways and bridges is essential in promoting economic growth, a sustainable environment and maintaining our province’s highly skilled workforce.”
